SANITARY LAW IN FORCE

Commissioners Elect B. C.
Gregory as Sanitary
Officer.

The City Commissioners held their regular session Tuesday morning and disposed of some important business.

The old health ordinance was re-enacted with some new additions to conform to changed conditions and the sanitary ordinance in effect for two years but suspended in January was again enacted, the only change being that the cost of looking after surface closets for private residences was put at 50 cents instead of \$1.00 a quarter. B. C. Gregory was elected Sanitary Officer at a regular salary of \$70 a month, beginning at once. The first payment in advance will be for two months to July 1. A number of petitions numerously signed were presented from property owners on Main, Virginia, Ninth and Seventh streets, asking that they not be taxed at this time for permanent street improvements. It is not likely that the Commissioners will consider the matter further until the question of putting in a public sewerage system is disposed of, as it would not be wise to put down permanent streets that might have to be torn up.

Ned Turner, chairman of the colored School Board, appeared before the Board and asked for an appropriation of \$1,500 to continue the schools, which was made, as is done every year.

Officers were named to hold the school elections Saturday for both schools. W. A. Long and H. H. Abernathy are the trustees for the white schools whose terms expire and Ned Turner and Abe Holmes of the colored schools.

George Bradley, George Younglove and W. F. Randle will hold the white election at the city court room. Wm. Lunderman, Robt. Williams, E. S. Foreman and J. W. Head will hold the colored election.

The street engineer was authorized to use the workhouse forces a day for cleaning up Mercer Park, left in an untidy condition by the recent carnival.

The usual monthly claims were allowed and reports submitted.

The Gossip.

Miss Lydia Bypath had thin lips, eyes that bored like gimlets, though they were as blue as the sea and had been pretty in their time, and a nose that was always ready to sniff at anything she doubted. She doubted almost everything that was told her, but told it as the truth to the next person she met. She was slender and small, with an alert movement like a sharp blackbird, and she always wore dull black clothes with dazzy white lines near together. They seemed to reverse in color the fine lines of dissatisfaction in her thin, pursed lips, and up and down on her narrow forehead, vanishing under her gray, frizzy hair.—From "The Obsession of Victoria Gracen," by Grace Livingston Hill Lutz.

Howell Items.

The High School team met the Lafayette team on their own diamond with their own umpire and beat them to the time of 9 to 6, Friday afternoon. Pitcher Buchanan was at his best and did not allow Lafayette to hit him at all until the fourth inning. The rest of the team backed up the pitcher and I'm sure Lafayette will not be very anxious for a return game any time soon. Batteries for Howell—Buchanan and Sumner. Lafayette—Taylor and Hester. The High School team defeated Edgote Saturday afternoon by the score of 12 to 9. The largest crowd of the season attended this game and gave the boys all kinds of encouragement. Batteries for Howell—Buchanan and Sumner. Batteries for Edgote—Elliott and O'Neal.

The Circle Meeting at Olivet on Saturday and Sunday excelled any for several years in attendance.

Mrs. A. K. Fleming left Monday morning for Chicago, to be gone for several weeks.

Misses Bertha Clardy and Mary Quarles attended the game at Lafayette Friday afternoon.

Mr. B. M. Hutchison, of Lango, Tenn., spent the week end with Mr. W. Mobley.

Misses Nell Clardy, Sarah Steger, Proctor and Sarah Whitaker spent the week end with Sibyl Boxley.
